## **Feline Adoption Application**

**In order to be considered as an adopter you must:**

- Be 21 years of age or older.
- Have identification showing your present address.
- Have the knowledge and consent of your landlord (if applicable).
- Be able and willing to spend the time and money necessary to provide training, medical treatment and proper care for a pet.

*Please complete all information and email this application back to Forgotten Animal Shelter at [fascczimmer@aol.com](mailto:fascczimmer@aol.com) **or** bring it with you to the Cat Sanctuary on your scheduled visitation day. Please print legibly. Note, completion of this application does not guarantee adoption of a cat or kitten from Forgotten Animal Shelter.*

- Without exception, no cats or kittens will be adopted "on the spot". Your application will be reviewed and processed within 24 hours from the date of your visitation to the cat sanctuary. An appointment will then be made for a representative to deliver the cat(s) or kitten(s) to you. This allows us the time to prepare your final paperwork (adoption contact and medical records) and gives you sufficient time to prepare your home for your new cat(s) or kitten(s).

In order to find a "forever home" for animals entrusted in our care, we, along with the majority of rescue organizations and shelters, feel it is necessary to learn as much as possible about you and your lifestyle before adopting. As with human children, we do not want to see animals bounced in and out of homes before finding the perfect match. This application is lengthy in an attempt to be sure that an animal being adopted by Forgotten Animal Shelter is properly suited to your lifestyle. This will help to reduce stress for you, your household and, more importantly, the animal.

I have read and agree with the above statement.
